Dear St Francis College Community,

Year 12... today marks the end of 13 years of formal schooling. Your years at St Francis College have gone by very quickly. You started high school in 2008 and it doesn’t seem that long ago that you started Year 7 with uniforms that were too big, your back packs were often nearly as big as you, shoes were clean and shiny and you were enthusiastic about taking on the new adventure of high school and today the regular routine of coming to school changes.

You have survived Shakespeare, taught alongside Lockie Leonard; you have learnt that famous speeches are full of rhetoric and you are all well aware of the importance of BELONGING! We have talked with you about the big issues - love, death, war, family, guilt, grief, courage - and you have delighted, surprised and entertained us. These are the things that will remain with us.

The power to use language well is a gift you will never be able to repay. All of your teachers, across all key learning areas have altered your lives by making you speak in public when you were fearful, insisting you write essays to expand your vocabulary, encouraging you to write personal reflections and ensuring you can construct a well-rounded point of view.

These skills will enable you to be the best in an interview, to thrill your lecturers at uni, to win the great debate at the dinner table and, maybe one day, importantly win the heart of that special person! Remember once in a while to think fondly of those who stood before you undefeated by your cries of ‘but why do we have to do this’ and thank them silently for the gifts they have given you.

Today each of you stands on the threshold of what will hopefully be a very positive future. You are standing on the edge of a new world, a new experience of freedom, a new opportunity to take greater ownership of your own lives. It is a time of great excitement and of endless possibilities.

As you leave St Francis I would hope that as you move into adult life you give witness to your faith and values that have been part of your daily life at St Francis. The world, Year 12 needs people like you to look, reach out and help those in need. As future leaders of our great country I hope you will become adults that look to God to give you strength, to be the change you wish to see in the world and then make it happen.

I thank you Year 12 for the way in which you have conducted yourselves in these final days at school, you have raised the bar for future Year 12s. Your community service and team work in working to beautify the grotto, cleaning graffiti and weeding gardens was excellent, your team work in house groups this year was outstanding and you kindly maintained the tradition of letting the staff win the student v staff soccer match 3 to 2! Thank you for the way in which you participated in your reflection day yesterday. It was great to see you relaxed and enjoying each other’s company.

To our Year 12 class of 2013, I see among you the necessary qualities to appreciate the joys of life. For the future that lies before you I faithfully offer the following advice....... Persevere!! Perseverance conquers all, and with it, you will overcome the obstacles that come your way.

Over the coming weeks keep focused on your studies. It is never too late to improve your marks. Please stay safe and look after each other. I wish each and everyone of you best wishes for the HSC exams and I look forward to celebrating your Graduation with you in November.

Best Wishes, Year 12 2013

Mrs Brenda King, Principal
Today, I stand before you as a proud student of Year 12 2013; and I am so completely honoured to have captained St Francis College for the duration of the year. For me, this role has opened up new doors and given me the opportunity to work with such amazing students, as well as staff. And for this; I am so grateful; as it gives me the chance to thank those, for their ongoing effort has made St Francis College the school it is today. It therefore, gives me great pleasure to offer a VOTE OF THANKS on behalf of Year 12.

To Mrs King, Mr Spina and the team of Executives, to whom I have thoroughly enjoyed working with! It is through your tireless work behind the scenes that provides each and every student with the resources and ability to truly shine. And shine they do. The supportive and safe learning environment that is SFC is a testimony to the success of your efforts and for that we whole-heartedly thank you!

To the undeniably brilliant teaching staff of St Francis College; who are some of the most dedicated and amazing individuals I have ever had the pleasure to meet. It has been your unrelenting enthusiasm and commitment to education that has shaped who we are today. Where would we be without the teachers who emailed us back at two in the morning, or gave up their lunch times to simply have a chat, or answered every single bizarre question we could think of? It is this compassion that has enhanced our learning experience and for many you have offered much more than the syllabus, you’ve been a friend and you’ve been an inspiration; for this, we must thank you!!

To Year 12’s very own partner in crime, Mr Handsaker; who has been a mate through the good times, as well as the bad. It’s been your laid back nature and ability to treat us like adults- even when we weren’t acting like them; that has kept us grounded and guided us through some tricky situations. Although we never got up early enough to understand any of your jokes; we still appreciate all the work you’ve put in as Year Co-ordinator, so thank you.

To our parents, who not once turned down an opportunity to teach us a lesson! Where would we be without your unconditional love and support?! Who else would pat our heads at two in the morning, make us a cup of tea and tell us that it’s all going to be alright? It’s this amazing reinforcement that you offer, the knowledge that no matter what the score is at the end of the day; as long as we’ve tried our best; the arguments and the insistent supply of canteen money: I apologise and sincerely thank you!!

Now who could forget my amazing peers sitting before you today? Now, there is no single word that is diverse, or unique, or powerful enough to describe Year 12 and the experience we have shared, so I’ll give you three;

- **CHALLENGING:** From the soap opera styled dramas fuelled by raging and unstable hormones; the trial of completing thousand word essays within one night; understanding the intricate world of Strictly Ballroom; the 5 am starts and the critical all-nighters, not to mention achieving that balance between school and social life, it is undeniable that Year 12 has been quite challenging. And at times these challenges have gotten the best of us, however each and every time we have fallen, or slipped; we’ve gotten back up; brushed ourselves off and kept on going. Year 12 has been challenging; but at the end of the day it’s been worth it. Its demonstrated how much each of us have within us; and how much potential we have to truly light the fire and fan the flames.

- **SWAGERRIFIC:** From obsessions with candy crush; DJ-ing; hash-tagging; celebrating 18ths; Good life; and not to mention ourselves, to the intrin. Our sense of identity has been shaped, moulded and accepted through the duration of our schsic need to snap chat every minute of every lesson; we have definitely been a unique group of year 12 studentsooling years and whether you’re the football star or the head of light and sound crew; each and every one of you have found a place within each other and have united together to form our random year group, who have an amazing ability to pull off some truly great things.

- And lastly **REWARDING:** because at the end of the day; after thirteen years of schooling, we will have much more to show for it than just the ATAR. From thirteen years of schooling, six being here within these walls; there is so much laughter and tears, so many fond memories and such amazing friendships gained. Look around you Year 12; these are the people who have shared such a distinctive experience with you. It is this experience that will forever bind us together and I couldn’t have asked for a better group of people to be bound to. So thank you Year 12. And good luck with the following months, if any year group can do it; we can.

For me, I love my life, because I love the people in it; so thank you for being those people.
The lengthy experience of high school is an exhilarating and extensive stress filled road trip. The driver is each one of us. We choose our own path, our own turns and own stretches. We choose the speed. We choose to remain consistent, speed up or slow down. The motor is the essential drive, the ever-pushing support of our teachers and family. Some go unseen but when we break down and open the bonnet they’re always there. Our goals are our fuel; they keep us going and keep the engine running. They help make the journey all worthwhile, laughing, fighting, joy and sorrow along the seemingly never-ending road. It almost seemed endless, yet here we are, on the home stretch. HSC is just up ahead and it’s time to finally put the accelerator to the floor, the pedal to the metal. In the words of the great Master Tortoise in Kung Fu Panda:

“Yesterday is history, tomorrow is a mystery, but today is a gift, that is why they call it the present”

Our history, our yesterday here at St Francis is an unforgettable ball of variety. Arriving with all the excitement and nervousness in the world we began under the watchful eye of Mrs Amy Tabain, who later left us for a much lesser year group, who ironically and obviously out of sheer grief of losing us, she left also. But no thank you, even though you were no longer Co-ordinator you were always there. Thank you.

We were taken under the wing of our present Co-ordinator, Mr Pat Handsaker the following year who kicked us off with the lovely and definitely un-intimidating speech, “I’m not Mrs Tabain, I won’t hold your hand or spoon feed you”. Somewhat more paternalistic Mr Handsaker has guided us through our years to this very day. We’ve had the occasional hiccup along the way, but every moment whether good or bad will be remembered. You got us this far Mr Handsaker and you should be commended, I still don’t know how you haven’t been institutionalised because of us.

Tomorrow is our mystery. We move into our HSC, together and then on to our individual lives. Not sure of what will happen we are excited to see the next page in the story that is our lives. The formal schooling years are behind us. Much like the Kung Fu Panda himself we are left to fight alone. But as we move forward we’ll never forget our time here, we remember our past. The good times and the bad, the tears, the tantrums, the laughter and the joy – our friends. We’ve experienced so much together. Even the smallest things; chasing Mrs Tabain with mice, Mr Fuller near dying of laughter because of it, mucking around backstage at Showcase, the Retreats organised by the every-thoughtful Ms Drew, the ‘piles on’, the summer water fights, the exam breakdowns, the socials, my irregular dancing, the carnivals with all their spirit. MacKinlay’s strange imagination, Mr Spina’s ‘be conscious’ speech and of course Grace and Arnie’s laugh – I think everyone’s experienced that! We have argued over the smallest things and laughed at the biggest, and from this I’ve come to one conclusion. We are not just friends anymore, but family, brothers and sisters.

Students, staff, family, friends today a group of young men and women conclude the years we keep getting told we’ll wished we’d never of finished. We stand tall, ready to take the world by the horns! We will carry the communal spirit, the light that is the St Francis Spirit throughout the rest of our adult lives. We’ll keep the flame alight seeking to always live each day the absolute best we can. Today is our gift, our present. Each day its renewed and each day we’ll treat it so. I am eternally grateful for what I have received here under the eyes of our caring teachers and I am sure I speak for every Year 12 student when I say THANK YOU for everything.

Thank you and God Bless.

YEAR 12 ASSEMBLY RESULTS:

SFC CERTIFICATE OF DISTINCTIONS. These Certificates have been awarded to the following students for their outstanding contribution to the St Francis Community, who always seek to improve themselves and who contribute positively to the learning environment of others during the past 12 months.

Stephanie Cirillo, Alissa Di-Genova, Jacob Errey, Jessie Foley, Casey Gilbert, Mikaela Ierano, Sophie MacAuslan, Benjamin Makeham, Lachlan O’Callaghan, Sebastian Randolph & Sophie Washington

PRINCIPAL’S OUTSTANDING ACADEMIC ACHIEVEMENTS

Eloise Boys, Alissa Di-Genova, Jacob Errey, Mikaela Ierano, Bryce Keeford, Benjamin Makeham, Lachlan O’Callaghan & Simon Whelan
YEAR 12 SUBJECT ACADEMIC EXCELLENCE CERTIFICATES (first in Subject)

Jessica Ashcroft Textiles
Eloise Boys Legal Studies
Rory Brown Metals & Engineering
Stephanie Cirillo Music

WHAT’S HAPPENING?

**CONTRIBUTION TO SFC NEWSLETTER**

What have you been doing recently? We would love to hear your news! In addition to stories about our past students, it is important to include what is happening with our current students/families as well as our past so please phone, email or fax any news you would like to share with the College Community to Mrs Briggs at the College Office at office@sfcww.catholic.edu.au

**WE LOVE KEEPING IN TOUCH WITH YOU!**

At SFC we are striving to maintain an accurate database of contact details for all past students to ensure ongoing effective communication with the thriving wider community. If we do not have your current email address, please email it to us at office@sfcww.catholic.edu.au or pettit@ww.catholic.edu.au (Mr Ian Pettit).

**CANTEEN VOLUNTEERS WANTED!!!!!!!!!**

Canteen Volunteers from all families associated with St Francis are urgently needed. The St Francis Canteen is for the convenience of the students and is run by volunteers under the guidance of Canteen Leader, Ms Lyn Vant. **Canteen Hours are from 10.30am to 2.30pm (school days only).** If you are able to help out for a day a term or even two days per term please contact Lyn on 02 6953 2901 (AH) or email lvant1@sfcww.catholic.edu.au Or during school hours please contact Lyn Vant directly on 6953 3622, Extension 219.

PLEASE SEE ATTACHED THE CANTEEN ROSTER FOR TERM 4 2013

THE COLLEGE ART DEPARTMENT urgently requires SECOND-HAND TOWELS for use in the Art Classrooms. If you can help PLEASE LEAVE them at the College Office for collection. Thank you for your anticipation of this support. Mr Ian Pettit, Art Teacher

YEAR 12 BOARDERS

As a final gesture of goodwill and community service a number of the Year 12 boarding students visited the Alf Hermann Lodge Residents on Thursday evening where they were warmly welcomed.

THE COLLEGE OFFICE will be closed during the holidays.

The COLLEGE STORES OFFICE will be closed the first week of the holidays (23-27 September inclusive). Will be OPEN in the second week (Monday 30 September - Friday 4 October 2013) from 10am to 2pm.

Normal Hours will resume for both OFFICES as of Tuesday 8 October 2013.

TERM 4 2013 COMMENCES ON WEDNESDAY 9 OCTOBER 2013.
LEARNING AND TEACHING REPORT

Year 12
I would like to take this opportunity to wish Year 12 all the best in their preparation for their upcoming HSC Exams. This time period is a very important one. It is crucial to prepare adequately to avoid disappointment later. Many teachers are holding study sessions in the holidays and I thank them for providing these opportunities to our students. It is also crucial for students to have a healthy balance - work, rest and play!

Year 11
Congratulations to Year 11 for completing your Preliminary HSC year. Enjoy your break before your HSC year starts in Term 4. Celebrate your success and learn from your mistakes.

Year 10
On Monday 28 October, Year 10 students that are definitely leaving school at the end of this year are able to sit an Optional Literacy/ Numeracy Test. These students will need to be enrolled to do this prior to this date. They must advise Mr Fuller via email fullers@ww.catholic.edu.au if they wish to take up this option:

- The tests focus on the literacy and numeracy skills required by school leavers for employment and further education.
• There will be one test for literacy and one test for numeracy, with concepts drawn from the Australian Core Skills Framework (ACSF) developed and endorsed by the Australian Government Department of Education, Employment and Workplace Relations (DEEWR).
• Each test consists of 60 multiple-choice questions and is 60 minutes long.
• The test results are reported separately from the RoSA and are not a requirement for award of the credential.

Mr Shane Fuller - Learning and Teaching Co-ordinator

2014 HSC SUPPORT EVENING
A support evening will be held for HSC students in Year 11. This evening will be on Tuesday 22 October 2013 in the Marcellin Learning Centre (new building) commencing at TIME TBC. The focus will be on how the HSC works, ATAR and processes and procedures for 2014. Parents are also welcome to attend with their Year 11 children. Mr Shane Fuller, L&T Co-ordinator

SFC P & F NEWS

Golden Apple Dockets
Please keep the Golden Apple dockets coming in to School. This is a great way, and a very EASY way to get funds for the School. Just send your old Golden Apple dockets into school in an envelope, and we will do the rest!

Next P & F Meeting
Just a reminder that the next meeting of the P & F will be held in the College Boardroom on Tuesday 15th October at 6pm. Everyone welcome!!

A HUGE thank you to everyone who helped with our fundraising this term. We’ve had a very busy term with the Auction and SFC Day, and we really appreciated all the help we received. Enjoy the holidays!!

Mrs Liz Lane, Secretary SFC P & F

LEETON BASKETBALL COMPETITION CHAMPIONS - report written by a very proud Aunt (Antoinette Cross) of one of the SFC Boys

What a game! The St Francis Boys won by one point after the siren went against Yanco Agr.

With 1 ½ minutes left in the final quarter, the boys were down by 6 points. A quick three point goal to Jack Favell narrowed the score, then another goal to narrow it even further, then a quick snatch from the boys to get the ball from the opposition for our number 10 (Haynes?)to score a fabulous 3 point shot from outside the key to put the boys one point in front.....15secs left and the boys were celebrating victory but the opposition got the ball and quickly were going for a goal to give them the lead and game. A foul by us while they were going for the winning goal gave the opposition a chance to win the game with 2 free shots....

By this stage the stadium was in an uproar, all eyes were on the boys, the atmosphere was electrifying......the opposition boy missed the first goal which would of drawn the game, then with the stadium in complete silence he missed his next shot...... giving SFC boys victory....

The crowd erupted!!!!! Both teams played a brilliant game, goal for goal and played in a manner which would make their coaches and schools proud. Well done boys!
YEAR 8 RELIGION TEST
A note to Year 8 parents regarding a Year 8 Religion Test was sent home with your child on Monday. The test will take place DAY 1 (Wednesday 9 October) TERM 4 – during Period 1, in conjunction with other schools in the Wagga Wagga Diocese and some other dioceses in NSW. It is important all students are present for this test. If you require further information please contact Mrs Amy Tabain at the College.

Mrs Amy Tabain - RE KLA Co-ordinator

HOMEWORK CENTRE
A reminder to all Families/Students that the SFC HOMEWORK CENTRE will be operating in Term 4 on Tuesdays and Wednesdays from 3.30pm to 5.00pm in Room 17.

Students are notified that the Homework Centre will open Week 2 and close Week tbc for Term 4.

Any questions please direct them to Mrs Vanessa Creece, Homework Centre Convenor.

- COLLEGE MAGAZINE 2013 -

Last year we successfully ran with a very different College magazine format from previous years. In an effort to cut down on costs and improve distribution we moved to a more diverse publishing method. This year’s College Magazine will be distributed in a similar format to last year.

- A printed edition can be pre-ordered for families who wish to purchase a copy.
- An online edition with bonus content available for free via an eMagazine. The link will be forwarded via email.
- Year 12 students will receive a copy as they are leaving the College.

The cost for a printed edition will be $20. Families who wish to purchase a printed copy of the magazine will need to record their details and pay at the College office no later than the 8th November 2013 (Friday Week 5 Term 4). A Magazine Order Slip at the end of this newsletter for interested families.

Please contact Mr Tom Pulver via pulvert@ww.catholic.edu.au if you have any questions regarding how to access this year’s magazine.

Mr Tom Pulver, VET / Learning Technologies Co-ordinator

MESSAGE TO HIGHER SCHOOL CERTIFICATE CLASS OF 2013

As the completion of your secondary school studies draws nearer, I take this opportunity to extend my very best wishes to each and every one of you.

Completing secondary education and moving on is both exciting and challenging for students and their families.

You will have important decisions to make as you focus on your future, whether it be furthering your studies at University, or a TAFE college or entering the workforce.

Again I wish you all the best for a good result in the Higher School Certificate and for the future whichever path you take.

Michael McCormack, MP
Federal member for Riverina
A MESSAGE TO THE HIGHER SCHOOL CERTIFICATE CLASS OF 2013

From

Mr Adrian Piccoli, MP
Member for Murrumbidgee
Minister for Education

To the Class of 2013,

With Term three of the school year rapidly coming to a close, it is with pleasure that I write to wish each and every one of you all the very best for your Higher School Certificate (HSC) examinations.

There is no doubt in my mind that just completing your HSC is an accomplishment of which you should be very proud. As a HSC graduate you have already shown that you have the determination and commitment to succeed at whatever it is you want to do in life.

This is actually my fifteenth HSC message, and looking back over time there is always a recurring theme in the messages I have written. That theme is a reminder to you all that all that can ever be asked of you is that you do your best. If you can honestly say that you gave the HSC your best shot, then no one can ask anymore of you.

Remember also that while the HSC is the end of your secondary schooling, it is also the beginning of the next phase of your life. The world is full of experiences and opportunities regardless of your results. If you really want to pursue your passion there will be a way to do to it - as the late Steve Jobs once said, ‘the only way to do great work is to love what you do. If you haven’t found it yet, keep looking. Don’t settle.’

I wish you all the very best in the weeks ahead, and hope that your future is full of good times and great experiences.

Yours sincerely,

Adrian Piccoli, MP
Member for Murrumbidgee
Deputy Leader of the Nationals
Minister for Education
Futures R Us is a career and transition from school to work program. Twenty Year 10 students from St Francis College were given the opportunity to participate in the program for 10 weeks.

The program was invaluable to all the students. It gave them an experience in the real world of work, assisted in developing employability skills, work readiness, workplace literacy and numeracy strategies, employer and industry expectations and individual career planning.

The program was delivered by Jo Flanagan from the Catholic Schools Office (Traineeship and Transition Education Officer). Jo would take the students each week for 2 hours. The program finished with a week of work placement out in the community.

I would like to congratulate the students on their achievements. They had to organise their own work experience placement in which we have had very positive feedback on. The students showed an impressive commitment to the whole program and achieved a VET unit of competency, Communications in the Workplace to ensure they are work ready. Well done!

A big thank-you to Lisa Ryan works closely with her year group to ensure they have many opportunities available to them. I would like to see such programs to be implemented each year.

I would like to thank the local businesses for supporting our students by continuously taking them on for work experience. Without your support these programs could not exist.

YEAR 12

Good bye to the year 12’s. I hope you are organised for you next big journey. I have enjoyed working with you all. Email or ring me if you need my help in the future.

“Love your life” .... Good Luck!!

Mrs Michelle Wood, Careers Advisor.
