Hello everyone,

On February 14th 1956, St Francis de Sales Regional College Leeton commenced with 140 male students (100 Day and 40 Boarding). The Marist Brothers conducted the College under the Principalship of Br Matthew Hopkins.

Therefore, this year marks the 60th Anniversary of the College. It’s a significant milestone. From humble beginnings, the College has grown into a fine school. A complex, contemporary, connected educational campus where today 724 students and 110 staff gather every day, to share their faith and to engage in learning. 834 individuals. 834 personalities. More importantly, 834 sets of gifts and talents.

It remains to our collective responsibility to honour our past, give thanks to the Marist Brothers and the Sisters of St Joseph and to continue to build the community of St Francis. Students can do this by ensuring they give their very best effort every day. Parents can do this by continuing to support the procedures and policies of the College that we agree on at student interviews. Staff can do this ensuring safe, engaging learning experiences.

As Principal of this vital Catholic school, I have a particular responsibility to maintain a religious culture, in partnership with parents and parishes which involves:

- regularly gathering as a community for worship and prayer;
- meaningfully instructing the faith and;
- providing exciting opportunities to experience Christ.

Whilst most modern schools are not theologically or organisationally equipped to fulfil the role of Church, Catholic schools play a vital role supporting the Mission of the Church. Individual spiritual growth is integral to a successful Catholic school. It can’t just be an “add on”, and we should never apologise for our Catholicity.

With Ash Wednesday begins the season of Lent. All our students attended liturgies, which were led outstandingly well by Year 12 Catholic Studies students. Pope Francis has written extensively about how Lent is a time of conversion and a time to deepen one’s faith, demonstrating and sharing it through the corporal and spiritual works of mercy.

"Faith finds expression in concrete everyday actions meant to help our neighbours in body and spirit," the pope said in his message for Lent.

Feeding the hungry, visiting the sick, welcoming strangers, offering instruction, giving comfort -- "on such things will we be judged," the pope wrote in the message.
Particularly during the Year of Mercy, Catholics are called to recognize their own need for God's mercy, the greatness of God's love seen in the death and resurrection of Christ and the obligation to assist others by communicating God's love and mercy through words and deeds.

I have challenged the Year 12 and 11 students to drive the standards for the College. Their leadership will be alive at our Annual Twilight Swimming Carnival next Thursday 18th February and our Opening College Mass the following Monday 22nd February at 9:00am at St Joseph’s Church Leeton. I look forward to these wonderful events.

The refurbishment of the “Old Library”, temporarily known as the Mackillop Centre, is all but completed. College maintenance officer Mr Mick Collins has done an amazing job. There are now new office spaces as well as 3 large areas, known as Mack 1, 2 and 3, with bi-fold doors.

Thank you for your continued support.

Mr Seb Spina

CONGRATULATIONS MARY! NSWCCC SPORTING BAR AWARD

On Monday the 8th February, Mary Sandral and her family attended the NSW Combined Catholic Colleges Blues Award Presentation night at St Patrick’s College, Sutherland. The awards recognise sporting achievement across a range of sports offered by NSWCCC. The night began with a liturgy led by the students, within which Mary was privileged to take a part in. Student achievements were then acknowledged with the presentation of the Blue and Bar awards following a short citation outlining each student’s achievements. Mary received a NSWCCC Sporting Bar award in recognition of her selection in the All-Australian Ausssie Rules team. This award is only given to students who have previously achieved a NSWCCC Sporting Blue award. It is also one of the highest achievements in school sport!

A wonderful effort Mary! Congratulations from the SFC community!
From the Assistant Principal

Students have had another positive week at school and are very much looking forward to our swimming carnival next week.

Uniform and Appearance

Piercings, other than a single piercing in each ear, are also not permitted at the College. If parents have any questions surrounding these expectations, please feel free to contact me through the College Office.

Opening School Mass

The whole school will participate in our Opening School Mass on Monday 22nd February. All day students are to go directly to St Joseph’s Church on this day. Day buses will be instructed to drop students at St Joseph’s and rolls will be marked at the Church. Day students will be able to leave their school bags at Madonna Place. Boarders will arrive at SFC as normal but will be bused to the Church under the direction of Mr Hopper and the boarding staff.

After Mass, students will walk back to school and move into period 2.

All parents and friends are very welcome to attend this celebration.

School Photos

School photos will be taken this year on Wednesday 2 March. Photo packages are included in student fees. If families wish to have a sibling / family photo taken, there are envelopes to order these photos at the College Office.

Kind Regards,
Marni Milne

First week of Lent:

Like many families in her remote village, Doney and her family have often gone months without enough to eat. But with the support of Caritas Australia and local partner CADECOM, the people of Doney’s community have learned to harness their strengths. Today they are building new livelihoods, improving health and growing literacy to create paths towards a better future.

Please donate to Project Compassion 2016 and help people in remote areas of Malawi harness their strengths and pave the way towards a thriving future. You can donate through School boxes, by visiting www.caritas.org.au/projectcompassion or phoning 1800 024 413.
This week begins our Lenten Season and our students all attended our Ash Wednesday liturgy competently facilitated by Year 12 Catholic Studies.

YEAR 9 NEWS

Year 9 have had another great week. Everyone has started to settle in well and students are enjoying their electives.

- Students have been reminded throughout the week about our uniform policy. Earrings seem to be the main issue with Year 9;

- Students are only able to wear studs or sleepers (one in each ear) in the **EAR LOBE**. Earrings are **not** permitted to be worn in the upper ear (as pictured)

- Year 9 had their first sport period last Friday. Students need to ensure they wear white socks with the College sports uniform (not black)
- Students attended motivational media on Monday, with the theme being “Everyday Heroes.” They listened to a number of individuals who were able to overcome adversity & achieve some extraordinary accomplishments.
- Lent commenced on Wednesday with students attending an Ash Wednesday liturgy. Hopefully students have thought about what they might do during this Lenten period, bearing in mind it doesn’t have to necessarily be giving something up like chocolate or soft drink it could be doing more community service, living a healthier lifestyle or doing more chores around the house.
- House meetings were held last Friday and Thursday to discuss arrangements around the swimming carnival and house themes. Students have been asked to nominate for various events throughout the week. Hopefully students have started getting into the “spirit” of the SFC swimming carnival by organising their outfits for the day.
- A Year 9 basketball competition will commence next Wednesday 17th Feb from 8:35am – 8:50am and will run for the next few weeks. Interested students have been asked to put their names down (teams of four, two boys & two girls.) There will be a prize for the overall winner but this is more about being active and having some fun with the year group.

- **Dates to remember:**
  - **Thursday 18th Feb:** SFC Twilight Swimming Carnival. Students can wear their sports uniform to school. Normal periods 1 & 2. Students will then be bused down to the pool. The carnival usually concludes around 8:00pm. More information about the carnival will be given to students next week.
  - **Friday 19th Feb:** Day off in lieu of the Twilight carnival
  - **Monday 22nd Feb:** Opening school Mass. Students need to meet at St Joseph’s Church at 8:45am. Students will then walk back to the College for the second half of period 2 and have normal lessons for the rest of the day. School bags can be left at Madonna Place (situated next to the Church)

ST FRANCIS COLLEGE – CURRICULUM UPDATE

Welcome to another year of Learning at St Francis College! I especially welcome our new Year 7 students. I hope you embrace and enjoy the learning opportunities offered to you by our St Francis College teaching staff.

Students from Year 7 to Year 12 are now busily engaged with their learning. Year 9 and 11 have settled into new electives and subjects and all senior students will soon be preparing for assessment tasks for their Preliminary HSC and HSC courses.

The Year 11 students received their Preliminary Assessment booklets at a briefing last Friday where I explained to them the Board of Studies rules and procedures of assessment in the senior school. These guidelines are mandated by BOSTES requirements and support student learning for satisfactory completion of Preliminary HSC coursework. The Assessment booklet has been uploaded to the school website at www.sfcww.catholic.edu.au

Similarly, the Year 10 students received their Assessment booklet for 2016. Again, the Board of Studies guidelines are outlined in this booklet, which has been uploaded to the SFC website, www.sfcww.catholic.edu.au. The Year 10 students have been informed of the expectations of Stage 5 learning. An emphasis has been placed on attitude, preparation and foundational learning for Stage 6 and also for those wishing to enter the workforce via apprenticeships at the completion of either Year 10 or Year 11.

Thank you for your ongoing support of the college and the learning of your son or daughter. Please direct any curriculum questions to me via St Francis College on 69533622.

UOW Discovery Days

Last Wednesday 65 Year 12 students travelled to Wollongong to experience a taste of Uni life at the UOW discovery day. Arrival at the Werona Campus where we were staying was a huge eye opener to all of us giving us great insight into the ups and downs of university campus living. The Werona Campus were good enough to supply us with Dinner on Wednesday night and breakfast and lunch on Thursday. After dinner on Wednesday we all went to the movies to watch ‘The Fifth Wave’ where a controversial love triangle sparked debate throughout the course of the trip.

At 6 in the morning on Thursday around 20 brave souls along with Mrs Wood toughed out the miserable weather and went for a run to the beach and back before the rest of us had woken up.

Reaching the university there was plenty of excitement and the Uni itself was very impressive and had a fantastic vibe. It was great to see a few familiar faces of students who were previously from St Francis. We spent the day mixing in with a thousand other Year 12 students experiencing what university lectures were really like and having dance battles at lunch where Leo Quade carved up.

Overall, I think everyone had a fantastic day gaining knowledge about life at University. I would definitely recommend for those in the years below thinking about University as an option after school to attend this discovery day.

A huge thankyou to Mrs Wood for organising it all for us, Mr Spina for helping out and coming along and M.I.A. coaches for driving us.
