Hello all,

I express my thanks to the College Leader of Mission and Faith Ms Janice Drew, who is constantly sharing resources with staff and students around the season of Lent. I was particularly taken by this passage about temptation.

What’s Tempting You?

I have been amazed at some stories about millionaire executives who swindle their companies to get even richer. How could money be so tempting, especially to rich people? Riches have just never tempted me.

But I face other temptations. I ask God daily for strength because I am tempted daily to sin in ways that hurt others and hold me back from being everything I can be.

The Gospel this week shows Jesus struggling with temptation. A born leader, he was tempted to abuse his power. Many people in Israel were waiting for a messiah – a word we understand as saviour – to lead a violent revolt against Rome. But he knew God called him to greater things.

How about you? Each person faces different temptations. What tempts you to be selfish and tempts you away from doing great things for God? Lent is the time to explore that question, to see where you’ve surrendered to temptation and where you need God’s strength to resist those temptations.

Here’s an idea: List your six greatest temptations and then reflect on one each week during Lent. Remember times you gave in. Remember times you resisted. Brainstorm ways to avoid the particular temptation you’re focusing on. Look at what the Bible says about it. Ask God for the vision to see the temptation clearly the next time you face it and for the strength to resist it.

When has giving in to a temptation hurt you? How does giving in to a temptation keep you from being the person you think God wants you to be?

NO SCHOOL ON FRIDAY 19TH FEBRUARY IN LEIU OF SWIMMING CARNIVAL TODAY!!
I’ve given up Facebook for Lent and I’ve given up sugar. Thus far, I’ve only been successful in one of the commitments. I’m not missing Facebook; but I must admit that my wife’s chocolate cake on Sunday was absolutely delicious. I’m going to be stronger this week!

The table below represents the College’s Information & Communication Technology (ICT) plan and the use of digital devices for students, provided by the school. We are very pleased with the quality of the devices that have been allocated to students. The College ICT plan embeds the cost of these devices into fees.

**IMPORTANT NEW ATTENDANCE INFORMATION**

The Education Act (1990) requires parents to ensure that children of compulsory school age attend school each day that the school is open for instruction. If children are absent from school, parents/carers are required to provide the school with an acceptable explanation within seven days of the absence.

Due to recent changes to government policy, commencing Term One 2016, there are now new, more stringent regulations regarding student absences from school.

All parents are asked to take note of the following information:

- Should a total of 5 absences be recorded, your child’s teacher will notify the principal
- In the event that a child is absent for 10 days in any calendar year, parents/carers will be contacted regarding the absences.
- If a child is absent for a total of 12 days in any calendar year, a letter is sent to the parents/carers to arrange a meeting. An attendance plan is developed. It is signed by all involved (Principal (delegate), teacher/student welfare, parent/carer and student). Copies of this plan are distributed to all.
- If absences reach 20 days in a school year, a meeting will take place with the student, his/her parents and the principal. This meeting may be attended by representatives from the Catholic Schools Office, Wagga. Legal proceedings may commence.

"Celebrating 60 years of Excellence in Catholic Education"
Students have had another positive week at school and participated in another fantastic swimming carnival.

Uniform and Appearance

Piercings, other than a single piercing in each ear, are also not permitted at the College. If parents have any questions surrounding these expectations, please feel free to contact me through the College Office.

Opening School Mass

The whole school will participate in our Opening School Mass on Monday 22nd February. All day students are to go directly to St Joseph’s Church on this day. Day buses will be instructed to drop students at St Joseph’s and rolls will be marked at the Church. Day students will be able to leave their school bags at Madonna Place. Boarders will arrive at SFC as normal but will be bused to the Church under the direction of Mr Hopper and the boarding staff.

After Mass, students will walk back to school and move into period 2.

All parents and friends are very welcome to attend this celebration.

Year 7 boys are working hard at lunchtime with their new computers.
YEAR 9 NEWS

What a way to finish a short week with our SFC swimming carnival (pictures to come in next week’s newsletter.)

On Monday all students will attend our Opening School Mass. Students are to meet at St Joseph’s Church at 8:45am, where they will have their name marked off. Students need to assemble in the same area as last year (at the front of the Church.) Please ensure you are in full summer uniform. Students will then return to school for the remainder of period 2. Normal lessons for the rest of the day.

At our year assembly on Thursday we will have Miss Renee Cooper come and speak to the Year 9 students in regards to starting up a Junior Vinnies/Social Justice Group. This will be a great opportunity for students to get involved in their local community.

The Year 9 basketball competition commenced on Wednesday. Unfortunately we were only able to fill four teams, however the comp will continue over the next four weeks.

As we start to move to more formative tasks (where assessment is ongoing,) students now need to take this opportunity to revise what they have done in class, even though they may not have a specific task or exam coming up. There are different way students can revise, which will be discussed in our year meetings over the next few weeks.

If you are having concerns please do not hesitate to contact myself via email: vantc@ww.catholic.edu.au or phone: 69533622

Enjoy the long weekend

Mrs Clare Vant
Year 9 Leader

ONE STOP TRAVEL OFFICE!

All students are requested to submit/advisе ALL TRAVEL variations to the College Office (C/- Ms Denise Campton) no later than 4pm on a Monday for the following weekend’s travel. A LATE VARIATION to normal routine will be accepted in the case of an emergency only.

Suicide - learning to read between the lines

The hardest part of my job....trying to put everything about what you will learn into one flier!

A lot of you know me, I grew up just out of Ardlethan and my parents still have a farm there, I went to school in Ardlethan until I went to boarding school. I dated and had mates in Barellan, I rode with people from Beckom and Ariah park, I worked in Temora, Leeton and Griffith, perhaps my children know your children, and the list goes on.

My journey in life led me to be internationally trained to help people get rid of their “stuff”, I specialize in this and Saturdays workshop is something that needs to be done and because, unfortunately, I am in town to celebrate the life of a mate who has gone too soon from a car accident I want to share what I can with you.

We could use a whole day at least for this talk yet I am going to teach you as much as I can in just 90 minutes about the mind and how what we think determines how we feel which will equal our actions and I will also teach you how to read a person’s face and eyes patterns so you can tell what they are thinking, this will be full on learning about recognizing just some of the signs of someone who has something going on in their head that they don’t know how to tell you, it will be about learning what the person you care about is thinking without any words...that would be of value don’t you think, and in so many situations!

Quite often the mate, the husband, wife or child wants to tell someone how they feel, they want help but don’t know how. I have also found through doing this that people do want to help, unfortunately it’s at the funeral things are said like, “I wish I had known, maybe I could have done something”, or “we worry we won’t know what to say or do so we don’t dig any further.”

In just 90 minutes out of our whole life time I am going to give you things you can say to perhaps flip that persons thinking around, to perhaps help them even seek further help.

You can change a life, you can save a life in just a second and that alone is a great reason to be there on Saturday. Who should come?, Men, Women and Teenagers, your children should be there

I would so love the people who I have helped come and tell you how important it is to know the signs and how grateful they are they hung in there, but it’s a stigma thing isn’t it, especially in small towns where everyone knows everyone..... and you know them, you live next to them, you work with them and your kids play with them, in fact teenagers are perhaps the ones that need this the most because it’s their friends, it’s that age that really struggles, it is also the farmer, the bloke you know on the tractor, the strong looking tough farmer who gets a set on his thoughts and can’t let go, it is the women who has lost herself or feels stuck, the women who in public appears to have it all together, it is the person who sits alone wondering if they should get the gun or not, it may be you reading this so let’s turn this around NOW because all of you are worth it, let’s find your purpose again.

Saturday will educate you about how and why we think like we do, you can’t know what you don’t know and that is why I will do this while I am in town, it is so very important so my question to you is, what do you have on next Saturday that is more important? Are your mates worth saving? I know mine are. London Hotel Ardlethan 10am Saturday Feb 20 .....want to know more about me, then just google me! Dimity Bagley or call 0419 675 805
