Hello all,

I wish to thank parents and students for their understanding with regards to the Pupil Free day scheduled for next Monday 20th February. Whilst the timing is not ideal, the opportunity to have a guest speaker from the NSW Educational Standards Authority (NESA) is a wonderful one for our staff.

Our College will again open its doors to the public at our Annual Open Day, scheduled for Thursday 9th March. Information sessions will be held at 9:30am and 4:00pm, followed by tours of the College conducted by students. Complimentary Morning Tea will be offered following the morning tours at 11:00am and preceding the afternoon session from 3:30pm. Bookings are required. Please phone through to the College office.

The Student Representative Council have planned their annual Social for Thursday 2nd March. Parents are reminded that the SRC donate funds raised from this Social to the College in the form of 5 x $500 scholarships. This is a wonderful example of social justice at work. Thanks to the SRC and their inspiring organiser Miss Haidee Washington.

Thank you for your continued support

**YEAR 12 NEWS**

Year 12 have done a stellar job with organising the SFC swimming carnival for 2017. It takes the leaders and their teams months to prepare, hopefully the school body got a kick out of the 5min of fame.

Last week 60 students travelled to Wollongong for a university experience, hopefully this trip gave the students some insight into future educational directions. A huge thank you to Mrs Michelle Wood who organised a highly successful trip.

Year 12 have plenty of task due in the coming weeks, the term will conclude with Mid-Course exams starting on the 23rd of March. Week 5, will see the Ag students with a task due on Wednesday and the English Studies task due on Friday.

Year 12 can be a very stressful time for all, If you have any concerns about your Son or Daughter don't hesitate to give me a call so we can get on top of any issues as quick as possible.

Mr Travis Doyle

**YEAR 7 NEWS - Week 4, Term 1**

Phew!! What a start to the year. It has been very busy at SFC the last two weeks. Students seem to be engaging well in their lessons and although it may seem intimidating they MUST take some responsibility for their learning, by: asking questions - during the lesson or at the end. Student’s can also ask their teacher quietly in the lesson to help them understand. It is the teacher’s responsibility to help you find a way to understand your classwork.

PLEASE don’t ‘be a passenger’ when it comes to learning otherwise things become hard. Next week in PAC your teachers will be starting to have conversations with students regarding their classes at SFC so far. This will continue into Week 6 & 7.

Students received their Religion Assessment Task this week. Please do not do this at home and ‘stress yourselves’. There are 5 class lessons to complete the task - work hard in those lessons and ask your teacher for help.

Last week saw Motivational Media, the laptop rollout, Immunisations & of course our College Opening Mass. Some super hot days thrown in and it was a tiring week. A short week this week and next - enjoy this time and recharge those batteries, ready for the downhill slide into holidays which will be here before we know it.

PARENTS/CARERS - please do not contact your son/daughter during the school day on their mobile phones. If there is a need to contact your child, please contact the College Office 6953 3622.

The College Swimming Carnival is taking place as this Newsletter is finalised. Of course, my allegiance is with Champagnat - get around the green team!!! I hope everyone has a good day/night and gives their best. We get FRIDAY OFF - Yay!!

YEAR 9 NEWS

Year 9 have had a great start to the year. Last week each individual received their new laptops. Students are encouraged to look after these as they will get plenty of use over the next few days.

We had our whole school mass last Friday. I must congratulate Year 9 on their behaviour in what was a very hot morning, especially being upstairs.

Most students have settled well into their electives. They have till next Tuesday if they want to change.

During PAC we have been working on the key topics of relationships and goal setting as well as working on Mathematics and basic vocabulary. The students have already shown improvement in their spelling which is great.

I anticipate that the swimming carnival will be another big success. This is one of the best days on our calendar. I am sure the year 9’s will have a fantastic day and participation levels will be high.

If you haven’t already done so, please like our “Year 9 2017 at Saint Francis de Sales Regional College” facebook page. I will be endeavouring to put up any important information on here on a weekly basis to keep parents and guardians informed of our year 9 activities.

Next week is free of any summative assessment. Students will be now starting to get some assessments during classes so ask them what they have and get them to ask any questions that they may have to their teacher.

Have a great weekend.

James Sullivan

YEAR 10 NEWS

**Upcoming Tasks**
- PASS Assessment Task: due 10th March (Week 7)
Our school photos will be taken on Wednesday 8th of March 2017.
For the convenience of our school community, school Family photos can be ordered and paid for online using a secure online platform. Orders placed online DO NOT require an envelope, cash/cheques or paperwork returned to school.

Envelope Orders: Family photos can also be purchased in the traditional manner using an envelope, with cash/cheque enclosed.

The preference of our school is that orders and payments be made online, as this reduces the administration and associated security issues related to the return of cash & envelopes on photo day.

To place your order visit www.advancedlife.com.au and enter the code- [WB4 9F6 AAA]. This code can also be found printed on your envelope. Please be aware that:

1. Sibling/Family Photos can be ordered online or via envelope. To ensure a smoothly run photo day, online orders for Sibling/Family Photos will be cut off at 12.00 a.m. the night before our photo day to allow a list of students that require Sibling/Family Photographs taken to be compiled. Sibling photos can still be ordered after the online cut off date by collecting an envelope from the office and returning the envelope on photo day with your payment enclosed.
2. All online orders should be placed on or before our day of photography.
3. The online code above may also be used to order sports and other group photos.

All orders placed online will be delivered to the school for collection.

ONE STOP TRAVEL SHOP

All bookings/ travel variations for boarding students must be made through the College Office.

All students are requested to submit/advise ALL TRAVEL variations to the College Office (C/- Ms Denise Campton) no later than 4pm on a Monday for the following weekend’s travel. A LATE VARIATION to normal routine will be accepted in the case of an emergency only.

We have a duty of care to our students and in conjunction with the support of all families can we ensure that travel arrangements are correct at the time of our students departing and returning to the College on a weekly basis. Therefore, it is expected that students and/or parents/carers take the responsibility of notifying the College Office and/or Denise Campton (not just boarding supervisors) advising of any changes to the normal routine of weekly travel for your child/children with an explanation of that day’s CHANGED MODE OF TRAVEL – HOW, WHEN AND WHO WITH that your son/daughter will be travelling.

If no notification of variation received for travel by parents/carers; students will remain on their weekly designated mode of travel.

The best method for this is via a written note, Boarding Students’ Travel Variation Notice, either in person, via fax or through email. Phone notifications will be accepted with a written notification to be forwarded. (please see Variation Note at end of newsletter). If a change happens over the weekend for a Monday travel, please email Ms Campton at the College Office camptond@ww.catholic.edu.au If you have a query or you are uncertain of the term "VARIATION TO NORMAL BUS ROUTINE" please don’t hesitate to contact Ms Campton at the Office.

IMPORTANT REMINDER TO PARENTS AND CARERS

All students need to have written permission to leave the school campus during school hours. Students are to present to the office, with a written permission note and sign out at the front counter. Email to the College office on office@sfc.ww.catholic.edu.au is also acceptable., or use our new Skoolbag app – see below. Phone permission to the front office needs to be restricted to times of absolute necessity.

Year 11 and 12 students are expected to be at school during STUDY periods – these are not FREE periods. Students will not be allowed to leave the campus without written permission.

Students coming late to school also need to sign in via the front office – with a note explaining their lateness. No note means an “unexplained absence” will be recorded on the rolls.

Notes and emails explaining absence from school must be received within 7 days. Rolls cannot be amended after this time frame. This is a government directive.
